The Libertarian National Committee, Inc. (LNC) is a national party committee that represents the U.S. Libertarian Party. The Libertarian National Committee, Inc. has been registered with the Federal Election Commission (FEC) under Committee ID Number C00255695 and has submitted compliance reports and other correspondence under that name and number since 1991.

On January 3, 2020, the LNC submitted a Form 99 stating the following: "We have been made aware of an FEC Form 1 Statement of Organization filing (FEC-1366794) on December 18, 2019 for an authorized candidate committee calling itself "Libertarian National Committee". This committee was assigned a Committee Number of C00731554. "

On January 6, 2020, the LNC discovered that the same parties listed as principals on the Form 1 referenced above also filed a Form 1 Statement of Organization (FEC-1365859) on December 10, 2019. This committee called itself "Libertarian Party of the United States" and was assigned a Committee Number of C00730556.

The LNC is in no way affiliated with either of these organizations or with any of the principals listed on their FEC Forms 1. None of the principals of this committee are directly known to the LNC. The LNC did not authorize these committees to use its name or the name of its national political party nor did it authorize the fraudulent use of its URL as the Official Committee URL on the FEC Form 1 filing FEC-1366794 for the "Libertarian National Committee". The LNC has also discovered that the addresses for M&T Bank on the FEC Form 1 filing FEC-1365859, "8319 Brewerton Road, Cicero, NY 13039" is not listed on the M&T Bank website as a bank location. The address for M&T Bank on the FEC Form 1 filing FEC-1365859, "8304 Cicero Stage, Cicero, NY 13039" is a residence and is also not listed on the M&T Bank website as a bank location (See <https://www.mtb.com/search?k=locations>).

We feel that the duplication of the LNC's name and the name of the Libertarian Party and the fraudulent use of the LNC URL will create public confusion as to the correct representative of the U.S. Libertarian Party. This confusion could result in contributors, vendors, banks/lenders, government agencies, and others being misled into thinking they are dealing with the national party committee when they are dealing with duplicate organizations. There also may be public confusion regarding submissions required by the FEC and other entities if multiple organizations are filing with substantially the same names.

We request that the FEC terminate the duplicate committees immediately on the basis that the Forms 1 were fraudulently filed. We feel that the deliberate duplication of the LNC's and the Libertarian Party's names for other unrelated committees demonstrate intentional attempts to confuse the public record and to cause harm both to the Libertarian Party and to the public as described above. We request that no other unaffiliated committees be allowed to use the names "Libertarian National Committee" or a variant of "Libertarian Party of the U.S." in the future. The LNC is bringing this matter to the attention of the Federal Bureau of Investigation as a "political threat".
